

Name of Slides	Course Chapter/Section
Introduction	
Sampling Survey Issues	4
Probability Sampling.pdf	5
SRSWOR	5.1
Sample Size	5.2
SRSWR	
Systematic Sampling	
Ratio Sampling	6.1/6.2
Regression Sampling	6.3
Stratified Random Sampling	7
Cluster Sampling	
Non-Response	8
The Fundamental Principles	1.1
Comparative Experimental Plans without Blocking	1.2
Comparative Experimental Plans with Blocking	1.3
Completely Randomized Designs	2.1
Completely Randomized Designs Unbalanced	2.2
Randomized Block Design	2.3
Factorial Treatment Structure	3.1
Factorials with Factors with more than 2 levels	3.2
